1 In general, the work consists of furnishing, rigging and delivery of (4) medium voltage switches as indicated

- 2 on the drawings.
- 3 4
- Installation of the equipment will be completed by a separate contract.
- 5

6 Bidding documents (drawings, specifications, and addenda) may be obtained only as electronic files (in

7 PDF format): as a downloadable file from the Division's Projects Bidding website (see website address

8 below). Bidding documents may also be seen at various Builders' Exchanges. Additional project bidding

9 information, including plan holders lists are available on the Division of Facilities Development public

10 website: <u>https://doa.wi.gov/Pages/AboutDOA/FacilitiesDevelopment.aspx</u>. After opening the web page,

11 select Current Construction Project Bidding Opportunities at the bottom of the screen. Bidder shall identify

the division of work they are bidding on when requesting Bidding Documents online. No deposit is required to obtain documents for bidding purposes.

14

## Base Bid will be received for: A single lump sum bid for All Work.

- 15 16
- 17 Bid Guarantee in the amount of 10% of the Bid must accompany each bid submitted.
- 18

Contract offer and construction phase records will be processed electronically on the WisBuild<sup>™</sup> DFD
 Information System.

21

The 2017-2019 Wisconsin State Budget (2017 Wisconsin Act 59) repealed Wisconsin's prevailing wage laws. Effective September 23, 2017, state prevailing wage requirements on state building projects no longer apply. These changes take effect for projects advertised for bid after September 23, 2017. This change does not affect the Federal Davis Bacon Act requirements.

26

27 Bidding Documents will be available online immediately upon the project being advertised for bid.
