The 2017-2019 Wisconsin State Budget (2017 Wisconsin Act 59) repealed Wisconsin's prevailing wage laws. Effective September 23, 2017, state prevailing wage requirements on state building projects no longer apply.

These changes take effect for projects advertised for bid after September 23, 2017. This change does not

affect the Federal Davis Bacon Act requirements. This project contains Federal Funding that requires Contractors to meet federal requirements for all products and materials used on this project. Please refer to the General Requirements for Simplified Projects for guidance and reporting requirements regarding the Build America, Buy America (BABA) Act.

A non-mandatory pre-bid meeting will be held for this project at 10:00 AM on Tuesday, April 16, 2024 at the project site. It is encouraged that contractors attend as this is a secure facility and access will not be possible outside of this meeting date/time. Please contact Zach Freeman by phone at 608-279-9224, or by email at zfreeman@kapurinc.com, if you have any questions regarding the project during the bidding period. Bidders are encouraged to arrive at Fort McCoy at least 30 minutes early due to possible delays for security checks at the main gate. All attendees will be required to check in at Building 30 adjacent to the main gate for clearance if not already previously approved for access. Driver licenses will be required of all persons for background checks. Weapons are note permitted on the grounds.

Bidding Documents will be available online immediately upon the project being advertised for bid.
