No later than 5 days after DFD identifies the successful MEP bids, DFD will publicly open general prime contractor bids. General prime contractor bids that do not include the successful MEP bids will be rejected. The state will enter into a single contract with the lowest, qualified, responsible, certified general prime contractor and this general prime contractor will enter into subcontracts with the successful MEP bidders. Sealed bids will be received at the State of Wisconsin Administration Building, 7th Floor, 101 East Wilson Street, Madison, Wisconsin 53703, before the time indicated above. The bidder is responsible for the sealed bid being delivered to the indicated location for receipt stamping before the time specified for the bid opening. Third party delivery is entirely at the bidder's risk. In general the work consists of furnishing and installing two air handlers with emergency power backup to pressurize stairwells X00B and X00D from the 19th floor to the third floor. Provide two heating only air handling systems to temper the air to 40 degrees F. Extend ductwork and diffusers throughout stairwells. Core stairwell landings and provide stairwell landing reinforcement as necessary. Provide emergency generator to replace existing for back-up power to air handlers. Provide crane or other means to deliver mechanical equipment to rooftop.		
This project is being let using a new single prime bidding and contracting process. DFD will publicly bid the applicable mechanical, electrical, plumbing, and fire protection (MEP) divisions of work first. Within 5 days of the MEP bid opening, DFD will identify a lowest, qualified, responsible, certified bidder in each applicable MEP division of work. These successful MEP bids must be included in all general prime contractor bids received. The 2017-2019 Wisconsin State Budget (2017 Wisconsin Act 59) repealed Wisconsin's prevailing
 wage laws. Effective September 23, 2017, state prevailing wage requirements on state building
 projects no longer apply. These changes take effect for projects advertised for bid after September
 23, 2017. This change does not affect the Federal Davis Bacon Act requirements.
